Sullivan Renaissance Municipal Grant

The Town of Bethel is one of five municipalities in Sullivan County selected to participate in the inaugural Sullivan Renaissance Municipal Grant Program. With our selection, we have been awarded \$15,000 towards fulfilling four aspects of town-wide improvements. The selected communities compete to win the grand prize of \$100,000 in August.

All Bethel residents, community groups, and volunteers are encouraged to join us at the Duggan School in White Lake, 3460 State Route 55, on Wednesday, April 13th at 6:30 p.m. for a work session. Our goal is to create a successful and expansive community effort. We want Bethel to be a leader in laying out a vision for how a community can be attractive, economically vibrant, and committed to the health and well-being for the people who live, work, and visit here. There is much to do so please join us! As we work together, we can make our proposal come to life!
