Bethel Council of the Arts Application

The Bethel Council of the Arts (BCA), a town-wide arts council was recently formed to foster a cultural environment by uniting the voices of community, artists and town government. The focus of the BCA is to promote awareness, appreciation and development of the creative arts to enhance the quality of life in our community. The arts touch our lives in many ways and are vital to personal and community wellness and they serve to facilitate civic engagement, community building, and academic success.
