Everything You Want to Know About Cicadas

www.magicicada.org Maps, etc. "Cicada Central" Periodical cicadas are found only in eastern North America. There are seven species -- four with 13-year life cycles and three with 17-year cycles. The three 17-year species are generally northern in distribution, while the 13-year species are generally southern and mid-western.

Cathy's Trail (Girl Scout Letterboxing Project)

Girl Scout Troop 470 has planted a letterbox in our beautiful town! They are excited to spread the word and have people start searching for it. They will be registering the letterbox this week with the Northeast Letterbox Organization, so that anyone visiting the area and interested in letterboxing can follow our trail. This will be the third trail registered in all of Sullivan County and the only one that is still active.

The troop named the letterbox "Cathy's Trail," in honor of the Town's Youth and Recreation Program Director. She is a lifelong resident of Bethel and loves this town. She works very hard to keep the kids active and engaged in the town programs. This is our thank you to Cathy for her part in making this town a great place to live. On your search for the letterbox DON'T FORGET TO BRING A NOTEBOOK & STAMP! The girl scouts, leaders and parents had a great time putting this together. We hope that all who search for the letter box have fun, spend time outdoors, enjoy the

beauty of our nature, and connect with one another through the letterbox. <http://www.letterboxing.org/america.htm>

Cornell Cooperative Extension in Sullivan Launches its Centennial Year Campaign

LIBERTY, NY—In celebration of its 100 years of serving Sullivan County residents, Cornell Cooperative Extension (CCE) Sullivan County will launch its Centennial Campaign on Friday, July 12, 2013. The public is invited to attend this anniversary kick-off and to share old CCE-inspired local photos and stories with good company. The event will be held from 4:00 to 6:00 pm at the Gerald J. Skoda Extension Education Center on 64 Ferndale-Loomis Road in Liberty, NY. Attendees can enjoy music played by a local musician, youth performances, speakers, door prizes, and light, local fare catered by Natural Contents. Refreshments are sponsored by the following Cornell Alumni: Michael Davidoff, Les Kristt, Marty Miller, John Sundholm, and Linda Tintle. Donation is \$10 per person. Event proceeds will go towards capital expenses, scholarships, and new programming to further develop the CCE site sustainably and as a teaching center that will benefit community members in and around Sullivan County.

“Cornell is celebrating its 100 years with the families of the agricultural farms in Sullivan County,” shared Earl Meyers, CCE Board Vice President and long-time Sullivan County farmer, “Our ancestors were all part of it and hopefully our future generations will be part of it too.”

Questions or registrations should be directed to the CCE office by calling 845-292-6180 or emailing sullivan@cornell.edu.

Did you know?? The traffic light on
Route 17B and Route 55 East is on a
sensor. When you approach the light
on Route 55 East if you just slightly
go over the large white stop strip,
the sensor will trigger and the light
will change quicker.

Pedestrians crossing at Route 55 East
and Route 17B PLEASE use the
crosswalks for your safety.
