Feline Spay/Neuter Program

The Town of Bethel is aware that there is a feral cat problem within the Town and the increase in number of these feral cats poses a threat to the town residents' health, safety and welfare. The Animal Rights Alliance (T.A.R.A.) is an entity that provides the service of spaying or neutering cats at a discounted rate. The Town has entered into an agreement with the TARA to provide this service at a reduced rate of \$50.00 per spay or neuter to Town residents, with the Town subsidizing \$20 each cat. The town resident is responsible for the difference of \$30. Spay/Neuter certificates are available at the Town Clerk's Office with a limit of two per household; cash or check only. The certificates are good for 60 days. The town has limited the number of the initial program to 100 cats per year. For more information contact Rita Sheehan, Bethel Town Clerk, at (845) 583-4350 ext. 11 or by email: bethelclerk@hvc.rr.com
