Dear Applicant:

In order to speed up the entire process of appearing before the Town of Bethel Planning Board, we ask that you observe one simple rule:

Submit your plans and applications to the Planning Board Secretary at least 14 days prior to a Planning Board meeting.

Your submission of these documents 14 days prior will enable the Planning Board consultant to review and determine applicable fees before the next scheduled board meeting. This request will streamline the review procedure. You will be placed on the agenda when the consultant has determined that the application and site plans are complete enough for the planning board's review and all fees are paid in full. Discussion and resolution can then be fast and productive.

Be aware that the Town of Bethel Planning Board adheres to the strict time limitation for actions as contained in the Town Code, and accordingly will expect each application to strictly adhere to those time limitations also.

The Planning Board meets the first (1st) Monday of each month.

Daniel Gettel, Chairman
Town of Bethel Planning Board

Submissions require 12 sets of folded plans unless otherwise directed.

SEQR short form are now located on the New York State
